

# Accessibility statement for Stocking Pelham Parish Council

This accessibility statement applies to [www.stockingpelhampc.org.uk](http://www.stockingpelhampc.org.uk)

This website is run by Stocking Pelham Parish Council and we want as many people as possible to be able to use it.

For example, that means you should be able to:

- read the content on a clear background with a large enough clear font
- zoom in using the web browser's settings
- open documents linked on the website (we use .pdf format for all council documents).

We have also made the website text as simple as possible to understand. AbilityNet has advice on making your device easier to use if you have a disability.

We are aware that some parts of this website may not yet be fully accessible as we would like:

- you cannot modify the line height or spacing of text
- you may not be able skip to the main content when using a screen reader
